## PRODUCT DESCRIPTION

Make your clients smile with Olivia Garden's well-known grey and white brush. This ceramic hair brush has everything you need to style smooth, healthy hair for your clients. Get ultra-shiny radiant hair every time with this tourmaline brush that stops hair from drying out and fights annoying frizz and static. Styling is a cinch as the ceramic-coated barrel spreads heat evenly as you work. You'll have the right round brush for any job as this ionic ceramic hair brush comes in all different sizes.

Create your looks with confidence thanks to the easy-grip design. This isn't just another thermal brush, it's the ceramic hair brush that makes your job easy, adding that extra touch to any look you create
